

# CALL FOR EXHIBITORS!!

FOR NJMSC'S AND NJDOT'S OFFICE OF MARITIME RESOURCES'

# COAST DAY NJ

**When?** Saturday, Oct. 9 (Viking Village, Long Beach Island)  
Sunday, Oct. 10 (Lobster House Restaurant and Dock, Cape May)  
Hours at both sites: 11 am to 4 pm

**What?** The NJ Marine Sciences Consortium, NJ Sea Grant College Program, NJ Department of Transportation Office of Maritime Resources and the Monmouth Ocean Development Council invite you to exhibit with them and their partners at the sixth annual *Coast Day NJ*.

*Coast Day NJ* is a showcase for NJ's marine and coastal. *Coast Day NJ* celebrates these environments, the commercial/recreational fishing industry and the resulting New Jersey's \$50 billion coastal economy. The day is one of family fun, with "hands on" interactive displays designed to educate visitors about the wonders of our coast. University researchers, commercial and recreational fishing organizations, education groups and government agencies that emphasize the marine environment should all attend to promote their programs and products.

**Where?** In 2004, *Coast Day NJ* will be held in two locations, Viking Village on Long Beach Island and in Cape May, the Lobster House Restaurant and Dock, the NJ Audubon Nature Center of Cape May and Utsch's Marina.

**How?** To reserve a *no-cost* space for your exhibit, please contact Coast Day NJ Coordinator, Claire Antonucci at (732) 872-1300, ext. 22 or at [cantonucci@njmsc.org](mailto:cantonucci@njmsc.org).
